[ABOUT]

Men need other Men to live our Catholic faith well.

In a world that encourages us to focus on ourselves and use whatever means necessary to get ahead, we need each other to hold strong to our Catholic faith.

Seton provides several opportunities for men to come together with other men. Christ Renews His Parish (CRHP) is a weekend event that provides men with a rare opportunity to reflect on where they are now and where they are going in their relationship with God and others. It is an opportunity to meet other men who deal with the same hopes and desires, doubts and fears, which challenge men.

[THE CHALLENGE]
