[ABOUT]

Maybe you don't read much or maybe you just need to find a good book that captures your attention.

Catholic authors have a gift of simplifying aspects of our faith and helping us relate the Church teachings to our everyday lives. There are many ways to find great Catholic material to learn about the faith and how to apply it to our daily lives.

Find books and recommendations:

- **Seton Library** – The Seton library contains books available to parishioners on the honor system.
- **Seton Men's Book List** – Review this list on SetonMen.com.

[THE CHALLENGE]

Pick one Catholic book to read this year... but do it now, not 12 months from now!
