[ABOUT]

The role of a man in the life of our families and parishes is critical. We need each other to learn and grow and learn about our Catholic faith and ways to live it in our society today.

That Man is You! (TMIY) honestly addresses the pressures and temptations that men face in our modern culture, especially those relating to their role as husbands and fathers. The program harmonizes current social and medical science with the teachings of the Church and the wisdom of the saints to develop the vision of man fully alive.
